

# Registration information ILS-Pyr-02

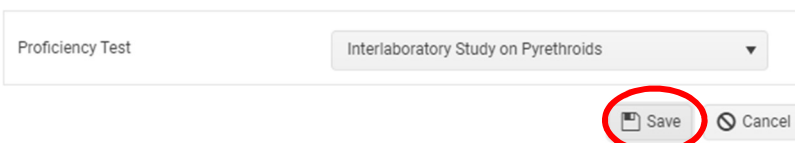

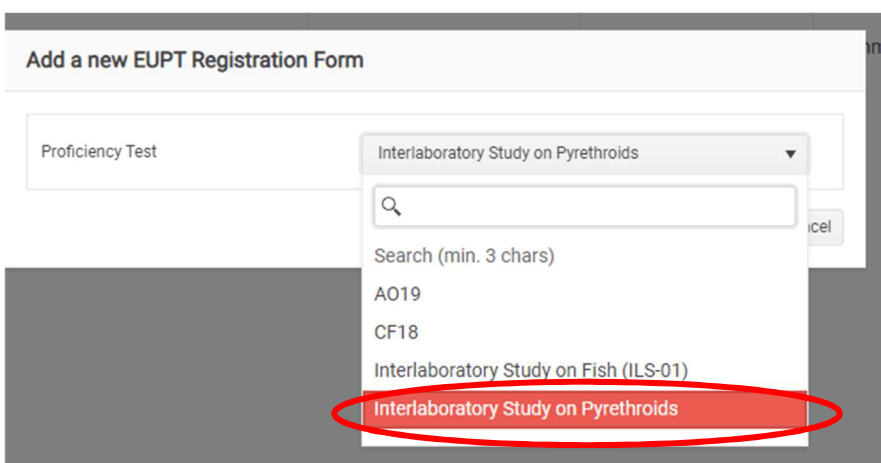

The registration via Data Pool for the interlaboratory study works the same as the registration for the EU proficiency tests. If necessary, the interlaboratory studys only need to be **added during selection**.

→ Please read „How to register“ for further informations

## EUPT Registration Forms

EUPT Name	Participation of your Lab	Actions	PT-Registration Status	Registration Deadline
A019	On Voluntary Basis	<a href="#">Register</a>	Registered (wish to participate)	01.04.24

### EUPT Registration Forms

<span>Details</span> <span>Reset Filter(s)</span> <span>Add an EUPT Registration Form</span>					
EUPT Name	Participation of your Lab	Actions	PT-Registration Status	Registration Deadline	
A019	On Voluntary Basis	<span>Register</span> <span>Trash</span>	Registered (wish to participate)	01.04.24	
Interlaboratory Study on Fish (ILS-01)	On Voluntary Basis	<span>Register</span> <span>Trash</span>	Registered (wish to participate)	01.04.24	
Interlaboratory Study on Pyrethroids	On Voluntary Basis	<span>Register</span> <span>Trash</span>	Registered (wish to participate)	01.04.24	

Now the registration form for the interlaboratory study (EUPT on a voluntary basis) is added.

Please fill out your register data and save the data afterwards.
