

EURL/NRL Workshop and Training 2018

Processing Contaminants

Pesticide Residues in Cereals and Feedingstuff

Metals and Nitrogenous Compounds in feed and food

14-15 November in Copenhagen, Denmark

The EURLs for Processing Contaminants, Pesticide Residues in Cereals and Feedingstuff, and Metals and Nitrogenous Compounds in feed are pleased to invite the NRLs to the EURL/NRL workshop and training 2018. The workshop and training will take place from 14-15 November 2018 at Hotel Scandic Copenhagen and DTU in Lyngby.

All NRLs can participate. The workshop will be free of charge for one person per Member State for each of the EURLs. This will include travel and accommodation that will be reimbursed. Please, indicate on the registration form whether you are the eligible NRL or not. You can register using the enclosed registration form. Please, return by e-mail to eur-cf@food.dtu.dk no later than **03 September 2018**.

We have reserved rooms at Hotel Scandic Copenhagen, Vester Søgade 6, Copenhagen V (1300 DKK ~€ 175 per night) from 13-15 November. To book a room, go to their [website](#) and follow the steps for booking with a booking code. The booking code is: BDTU131118. Please book the hotel before **17 September 2018**.

Please, also make travel arrangements yourself and choose the cheapest connection possible. If the travel costs (including flight ticket as well as expenses for transportation to and from the airport by train/bus) exceed 300 Euro, please contact us before booking. Flight tickets should be booked before **17 September 2018**.

Transportation from Copenhagen airport to the Hotel takes approx. 30 minutes by metro or train. Further information will be sent to you later.

- **Deadline for registration is 03 September 2018.**
- **Deadline for booking hotel is 17 September 2018**
- **Deadline for booking flight is 17 September 2018.***
 - *Please, forward the itinerary to eur-cf@food.dtu.dk
- **Workshop fee for non-eligible participants is € 250.**

EURL/NRL workshop

Topics for discussion at the workshop:

- ▶ Exchange of information from the Commission
- ▶ Results and discussion of Proficiency Tests
- ▶ General exchange of information
- ▶ Presentations from NRLs

All participants are invited to contribute to the workshop by submission of:

- ▶ Presentations related to aspects of the EURLs
- ▶ Proposal for other topics to be included in the programme

Please submit the topics to eurl-cf@food.dtu.dk before **17 September 2018**.
