

EURL/NRL workshop and training 2016, Pesticide Residues in Cereals and Feedingstuff 20-22 September in Holte, Denmark

The EURL for Pesticide Residues in Cereals and Feedingstuff is pleased to invite the NRLs to the EURL/NRL workshop and training 2016 on Pesticide Residues in Cereals and Feedingstuff. The workshop and training will take place from 20-22 September 2016 at Comwell Holte in north of Copenhagen.

All NRLs for Cereals and/or Feedingstuff can participate. The workshop will be free of charge for one person per NRL per Member State. This will include travel and accommodation that will be reimbursed. Please, indicate on the registration form whether you are the eligible NRL or not. You can register using the enclosed registration form. Please, return by e-mail to eurl-cf@food.dtu.dk not later than **04 July 2016**.

We have reserved rooms at the [Comwell Holte](#), Kongevejen 495A, 2840 Holte (992 DKK ~134 € per night) from 19-22 September. To book a room, email to holtekonference@comwell.dk using booking reference: **EURL-NRL** and include credit card information. Do not book via the hotel website. Please, book the hotel before **11 July 2016**.

Please, also make travel arrangements yourself and choose the cheapest connection possible. If the travel costs (including flight ticket as well as expenses for transportation to and from the airport by train/bus) exceed 300 Euro, please contact us before booking. Flight tickets should be booked before **11 July 2016**.

Transportation from Copenhagen airport to the venue in Holte takes approx. 60 minutes by metro, train or bus. On <http://www.rejseplanen.dk/> you can explore possible connections depending on date and time. Choose English language and enter Copenhagen Airport as starting point and Kongevejen 495 A, 2840 Holte as endpoint. Choose also date and time.

- **Deadline for registration is 04 July 2016.**
- **Deadline for booking hotel is 11 July 2016**
- **Deadline for booking flight is 11 July 2016.**
Please, forward the itinerary to eurl-cf@food.dtu.dk
- **Workshop fee for non-eligible participants are 250 €.**
- **Training fee for non-eligible participants are 120 €.**

EURL/NRL workshop

Topics for discussion at the workshop:

- ▶ Exchange of information from the Commission
- ▶ Results and discussion of PT-CF10
- ▶ General exchange of information
- ▶ Particle size - cereals
- ▶ Underperformance in EUPTs
- ▶ Presentations from NRLs

All participants are invited to contribute to the workshop by submission of:

- ▶ Presentations related to aspects of pesticide analysis of cereals and feedingstuff
- ▶ Proposal for other topics to be included in the programme

Please submit the topics to eurl-cf@food.dtu.dk before **30 July 2016**.

EURL/NRL training for interested NRLs

The training is focussed on implementation of the SANTE AQC- Document in daily routine analysis through exercises based on real data, and followed by discussion.

Suggested topics for discussion at the training:
